

Here from Denmark wish, Thisted Sailing Club all H-Boat sailors and their families a Merry Christmas and a Happy New Year.

Thisted is the principle town in our region, Thy and here in Thisted we are looking forward to 2013, where the World Championships for H-Boats will be held. The World Championships will be held from the 4<sup>th</sup> to the 9<sup>th</sup> August 2013. For further details of the program, and much more see [www.worldcupthisted2013.com](http://www.worldcupthisted2013.com). The World Championships 2013 will be a very special event for Thisted and we will make every effort to ensure that competitors, families, spectators, sponsors and others will experience the best World Championships the H-Boat Class has ever seen.

We will make a special effort to attract and indulge competitor's families and relatives. There will be a large, exciting and varied program for families. As well as many activities by the harbour, there will also be inspiring excursions and experiences elsewhere in Thy. There will be activities and experiences both for children and adults, with opportunities to get on the water and follow the races or to follow the races live on the Internet, as there will be live streaming of all the races

At [www.worldcupthisted2013.com](http://www.worldcupthisted2013.com) we will regularly provide further information of the latest news, accommodation, activities, excursions etc. Take a look as well at our Facebook profile at [facebook.com/worldcup2013Thisted](https://facebook.com/worldcup2013Thisted) – We hope you like it?

There are no better racing conditions for sailors than those we offer in Thisted Bredning. Thisted Bredning is a protected part of the Limfjord and regardless of wind direction, sailing will remain close to the shore. The racing will take place in the Limfjord, on relatively flat water without large waves and no current. It is comparable to sailing on a large lake.
